# ABOUT RIVER DELTA

THE RIVER DELTA FIRE DISTRICT IS APPROXIMATELY 30 SQUARE MILES AND IS LOCATED NEAR HIGHWAY 12 AND HIGHWAY 160 NEAR RIO VISTA AND ISLETON, CA. THE DISTRICT RUNS APPROXIMATELY 350+ CALLS PER YEAR AND IS STAFFED 24/7 WITH VOLUNTEER FIREFIGHTERS WHO ARE REQUIRED TO DEDICATE ONE 24-HOUR SHIFT PER WEEK. THE DISTRICT ENCOMPASSES THE DELTA LOOP, WHICH MEANDERS ALONG THE MOKELUMNE RIVER, SAN JOAQUIN RIVER AND SEVEN MILE SLOUGH.

THERE ARE SEVERAL BOAT HARBORS, RESTAURANTS, RESORTS AND CAMP SITES ALONG THE TEN-MILE STRETCH OF THE LOOP. THE AREA IS A MAJOR SUMMER DESTINATION TO THOUSANDS OF RECREATORS. THE DISTRICT SERVES A POPULATION OF 1,500 RESIDENTS AND DURING THE SUMMER MONTHS, THE POPULATION SIGNIFICANTLY INCREASES UP TO 15,000 DURING SUMMER MONTHS AND BUSY WEEKENDS.

THE RIVER DELTA FIRE DISTRICT OFFERS CAREER DEVELOPMENT OPPORTUNITIES FOR INDIVIDUALS PURSUING A CAREER IN THE FIRE SERVICE AND HAS A SUCCESSFUL REPUTATION OF MENTORING FIREFIGHTERS TO MEET THEIR CAREER GOALS THROUGH QUALITY TRAINING AND HANDS-ON EXPERIENCE.

THE RIVER DELTA FIRE DISTRICT IS A SPECIAL DISTRICT AS DEFINED UNDER THE FIRE PROTECTION DISTRICT LAW OF 1987, HEALTH AND SAFETY CODE, SECTION 13800, OF THE STATE OF CALIFORNIA. A THREE-MEMBER BOARD OF DIRECTORS, ELECTED AT-LARGE BY THEIR CONSTITUENTS AND EACH SERVING A STAGGERED FOUR-YEAR TERM, GOVERN THE DISTRICT.

THE FIRE CHIEF OVERSEES THE GENERAL OPERATIONS OF THE DISTRICT IN ACCORDANCE WITH THE POLICY DIRECTION PRESCRIBED BY THE BOARD OF THE MAJOR REVENUE SOURCES OF THE DISTRICT ARE PROPERTY TAXES (90%), AND FROM MEASURE "S" PASSED IN 2018, MEASURE "H" PASSED IN 2022 AND THROUGH SPECIAL SERVICE FEES. THE EXPECTED TOTAL REVENUE BEGINNING JANUARY 2022, IS ESTIMATED TO BE \$390,000. RIVER DELTA FIRE DISTRICT CURRENTLY HAS OVER 42 VOLUNTEER FIREFIGHTER/EMT'S WHO ARE FIREFIGHTER I CERTIFIED OR WHO HAVE COMPLETED AN ACCREDITED FIREFIGHTER I ACADEMY. ALL FIREFIGHTERS ARE CERTIFIED EMERGENCY MEDICAL TECHNICIANS AND HAVE BEEN TRAINED TO THE EMT EXPANDED SCOPE LEVEL.

# LETTER FROM THE CHIEF

On behalf of the members of the River Delta Fire District, I am pleased to present the first ever annual report. The annual report provides an overview of the past year as well as the Department in general.

I hope it will provide insight into what we mean when we say our core values, "Dedication, Motivation and Knowledge."

Our vision for the future includes bringing all of the surrounding fire agencies together to better serve our communities and to improve firefighter safety. As your Fire Chief I am committed to continuous improvement of the district, ensuring it meets community expectations. We are actively working to forge relationships with surrounding fire agencies through automatic and mutual aid agreements and have already made excellent progress.

We stand ready to serve and protect as we respond to the needs of the community at all times providing exceptional fire and emergency services.

Our district is dedicated to making the community a safer place to live, work, play and travel. We are continually working to ensure that our training, equipment and facilities meet the needs of the citizens and communities we serve.

This past year brought many changes in River Delta Fire District. We have increased our staffing, acquired additional apparatus, received several grants and we have reinforced our auto aid agreements with Montezuma Fire District and Woodbridge Fire District.

Overall, once again, it has been a very busy and successful year for River Delta Fire District.

The annual report provides the opportunity to illustrate the continued commitment and outstanding work of the men and women of the River Delta Fire District. We hope that you find the report informative.

Sincerely,

  
Fire Chief

## 2023 ACCOMPLISHMENTS

- ✓ The successful passing of Measure "H" to increase funds for the district - \$125,000 annually. A substantial increase in district budget to \$390,000.
- ✓ Finalizing Regional Training Center building and training grounds, developed training website. <https://riverdeltafiretraining.com/>.
- ✓ Reinforced Auto Aid Agreements with Montezuma and Woodbridge Fire Districts.
- ✓ Staffed two engine companies 24/7 on most days of the week and during critical weather conditions.
- ✓ Awarded a \$29,000 grant from the California Office of Traffic Safety for auto extrication tools (Jaws of Life).
- ✓ Awarded a \$40,000 grant from the CalFire Volunteer Firefighter Grant Program for Communications Equipment and Wildland Fire Safety Equipment.
- ✓ Awarded a \$168,900 grant from the Assistance to Firefighters Grant Program for Self-Contained Breathing Apparatus.
- ✓ Awarded \$100,000 grant for EMS equipment and training, emergency generator from the American rescue Act and Office of Emergency Services.
- ✓ Renewed accreditation through the Sacramento County Emergency Medical Agency as a Continuing Education Provider and EMT Training Program.
- ✓ Renewed EMT expanded scope of practice from Sacramento County EMS to enhance Advanced EMS capabilities.
- ✓ In the process of training 10-recruits. All recruits will receive their State Fire Marshal Firefighter I certification in 2024.
- ✓ Purchased new type 5 engine and command unit.
- ✓ Implemented additional financial and operational policies and procedures.
- ✓ Renewed online training records management system.
- ✓ \$150,000 donated by community organizations.

## GOALS 2024

- Continue to seek grant funding opportunities.
- Obtain approval from Sacramento County EMS to become an EMT Training Program.
- Submitted grant request to add paramedic level Services to South Sacramento County/Region.
- Install Drafting Point signage throughout key locations within the district for water supply.
- Obtain funding and install dry hydrants in key locations throughout the district.
- Improve Fire Station facilities.
- Firefighter/EMT Recruitment.
- Host Firefighter II Recruit Academy.
- Complete Company Officer leadership program.
- Continue to develop a citizen's auxiliary core.
- Updated district website: ([www.riverdeltafire.com](http://www.riverdeltafire.com))
- Continue community outreach through social media.
- Draft and regionally distribute River Delta District capabilities report.
- Develop Emergency Operations Center/plan.
- Develop Regional Training Center with training props.
- Submit grant request for Type I engine.

## MUTUAL AID

The River Delta Fire District responds to fires, traffic accidents, emergency medical calls, hazardous materials, non-emergent public assist calls; and on a variety of other types of incidents anytime we are requested by the Community and our surrounding fire agencies. River Delta Fire District has worked hard to forge relationships throughout the region by establishing automatic mutual aid agreements with Montezuma Fire District and Woodbridge Fire District. Our vision for fire services includes a borderless emergency response, to better serve the public in their time of need and to improve firefighter safety. River Delta Fire District is committed to continuous improvement and the constant evaluation of our service, to ensure it meets community expectations and best practices. We stand ready to serve and protect as we respond to the needs of the community at all times providing exceptional fire and emergency services.

River Delta Fire District is hoping to bring together our mutual aid partners together to improve coordination between our agencies, training, emergency response, and other fire department services by working together. We believe that working together will enhance the following:

- Improved firefighter and community safety
- Expanded on duty response force
- Reliable back up during multiple calls for service
- Common training and operational procedures

Ranch Marina Fire Incident in River Delta Fire District ~ Destroyed 42 structures and threatened several hundred more with hundreds evacuated. No injuries or deaths

# QUICK FACTS

## PERSONNEL

- 1 Fire Chief
- 1 Deputy Chief
- 1 Assistant Fire Chief
- 24/7 Battalion Chief coverage
- 5 Engine Company Officers
- 10 Driver/Operators
- 45 Fire District members' total
- 1 Fire Station
- 1 Administrative Services Chief
- 1 EMS Chief

## COVERAGE AREA

- 1,800 – 15,000 residents (seasonally)
- Approximately 27 square miles

### Auto Aid Agreements with:

- Montezuma Fire District
- Woodbridge Fire District
- Sacramento County wide MRA

## SPECIAL PROGRAMS

- Firefighter Internship Program

## DAILY STAFFING

- 24/7 staffing with two engine companies
- Engine 94 staffed with 2-3 firefighters
- Patrol 94 staffed with 2 firefighters
- Apparatus cross staffed with Air Support or auxiliary personnel

## REVENUE

- Annual Tax funding - \$155,000
- Special Tax Revenue from Measure "S" are \$110,000.
- Special Tax Revenue from Measure "H" are expected to be \$125,000.
- Total Estimated Annual Budget: \$390,000

## APPARATUS

- 3 - Command Units
- 2 - Type I Engines
- 1 - Water tender
- 1 - Air Support/light rescue/rehab Unit
- 1 - Type 5 Engine

## ISO – 5YB

## TRAINING DIVISION

The Training Division is responsible for organizing and conducting recruit academies, scheduling shift training activities, evaluating personnel performance, ensuring that all active members are current in requisite skills and credentials, validating the completion of task books, identifying infrequent skills that warrant refreshing, and coordinating multiagency / mutual aid drills and exercises. Recruit academies are typically joint operations that include members of response partner agencies.

Beyond adhering to state identified standards such as Fire Fighter-I and medical certifications, the Training Division is responsible for evaluating various types of risks within the district and conducting drills and exercises in order that members become familiar those such unique risks and understand best practices for resolving emergencies related to those risks.

Overall, the River Delta Fire District Training Division develops, implements and maintains programs supporting the safe, efficient and effective actions of District personnel. The Training Division serves all divisions including Suppression, Management and Administration, and Support Staff. The District's Training Division is staffed with one Deputy Chief, a Training Captain, and an on-shift crew.

The Training Division coordinates specialized in-house training to convey new concepts and techniques, reinforces existing skills, and addresses modern advances in the delivery of emergency services in order to maintain high skills among district personnel. Specialized training programs cover such diverse topics as Low Angle Rope Rescue, Confined Space Rescue Operations, Wildland Urban Interface Firefighting, Auto Extrication, and the Art of Reading Smoke.

The district is committed to providing training that meets or exceeds fire service industry standards. It accomplishes this in part by utilizing instructors certified by the California State Fire Marshal, the

National Wildfire Coordinating Group, the California Incident Command Certification System and other recognized certifying agencies. The district is fortunate to count among its members several such certified and qualified instructors, and where possible, will utilize some of the most notable industry professionals to instruct District personnel.

The Training Division coordinates and provides instruction for recruit firefighters through an in-house Firefighter Academy. Other District-specific training produced and delivered by the Training Division includes an Engineer Academy for personnel interested in becoming apparatus operators. Currently, academies for developing and qualifying prospective company officers and future Shift Commanders are in the process of being developed.

The Training Division maintains a very active role in joint regional training with surrounding agencies, county and state fire training officer associations, and through its affiliations with national organizations dedicated to increasing the quality and safety of fire training. This network helps fulfill the Training Division's mission to ensure District personnel will consistently provide a very high level of emergency and non-emergency services to the community and that they return home safely at the end of each shift.

River Delta Fire District strives to provide the highest quality training, instruction and evaluation to our members. We deliver the most meaningful and realistic training possible while ensuring personal safety. This is intended to prepare our department to serve our community in the most efficient and effective means possible, and to ensure personal safety as we deliver this service. The Training Division is responsible for the on-going training of all in-service companies.

In 2023, the Training Division experienced another busy training year. Many factors contributed to this year increased activity level and are detailed below. River Delta Fire District personnel logged over **3,500** hours of training in the following areas.

- Incident Command and Control
- Structural/Vehicle/Wildland Firefighting
- Fire Investigation
- Firefighter Survival
- Hazardous Materials
- Response, Mitigation
- Forcible Entry
- Large Animal Rescue
- Report Writing
- Technical Rope Rescue
- Supervision and Leadership
- Rescue Swimmer Training
- Auto Extrication
- Marina / Boat Firefighting
- Water Supply Operations
- Vertical Roof ventilation
- Engine Company Evolutions

## **Live Fire Training**

River Delta Fire District is in the final stages of developing one of its training officers as well as improving our Stan Semi Training Facility to have the ability to train our fire personnel and neighboring agencies with live fire training evolutions, which includes: fire behavior analysis during recruit firefighter training, search and rescue operations, ventilation, Engine Company/multi-company attack evolutions, and hose handling techniques, to name a few. River Delta Fire District will be seeking grant funding to accomplish this.

## **TargetSolutions**

In 2019, the Training Division transitioned to a new online training and records management system. The system is called TargetSolutions and makes scheduling, delivering, tracking and reporting training easier and more efficient than ever before.

The extensive online library hosts numerous types of training, including EMS, NFPA 1001, 1021, and 1500 series fire training, OSHA, motor vehicle safety, and human resources. In addition, the system can track all compliance training activities and generate comprehensive data reports for agencies such as ISO. TargetSolutions is an excellent tool and allows remote access from any location.

## RIVER DELTA TRAINING MEMO

**Date:** January 28, 2023  
**To:** All River Delta Fire District Personnel  
**From:** Battalion Chief McPeak, Operations & Training  
**Subject:** Monthly Training Schedule: May 2023

---

The below drills have been added as templates to the training records module of Emergency Reporting. Following each drill officers shall complete the training record (including narrative) and enter the members who participated in the drill.

The training entry shall reflect the true date, time, and length of the drill. Scenario drills shall be completed in appropriate FULL PPE for the scenario.

As a reminder, when entering drills outside of the scheduled drills, **ONLY Create Class from Template. DO NOT Create new class from scratch.** Company drills outside of the scheduled daily drills should be entered using the template titled, "Company Training (not scheduled)". If you have any questions or would like additional training on this system, please contact me and we can schedule a zoom training at your convenience.

### May 2023 Schedule:

Week	Dates	Time	Drill
18	04/30/23 - 05/06/23	10:30	Review: Low angle MPD device (RID MPD Manual) on Target Solutions
		13:30	Scenario: Perform Low Angle Rescue at Skips House
19	05/07/23 - 05/13/23	10:30	Review: Water Tender OPS, Pumpkin Deployment
		13:30	Scenario: Drafting Operations, Deploy Pumpkin
20	05/14/23 - 05/20/23	10:30	Review: Weekly Boat pre-trip, Rescue Equipment, Components of a water rescue and comms.
		13:30	Scenario: Engine based water rescue
21	05/21/23 - 06/03/23	10:30	Medical Module: Expanded scope refresher training (Epi, Narcan, Glucometer, and Igel)
		13:30	Scenario: Overdose, Diabetic and Anaphylaxis

DEDICATION \* MOTIVATION \* KNOWLEDGE

## **FIREFIGHTER STAFFING 24/7 365**

River Delta Fire District has a long tradition of volunteer firefighting, and has one of the few remaining volunteer firefighting programs in Sacramento County. River Delta Firefighters undergo extensive training and require certification to state standards. When a Volunteer Firefighter walks in the door at River Delta, they typically have received training and several certifications such as a California State Firefighter I, basic and advanced wildland firefighting certifications, auto extrication, incident command and traffic safety certifications, firefighter survival, structural firefighting and Emergency Medical Technician level certification.

For years River Delta Fire District has been a training ground for Firefighters to gain the necessary experience, personal growth, professionalism and knowledge to move onto a fulltime career position in the fire service. Today, the District continues to motivate and educate future firefighters in the right direction.

Since 2001, over 450 plus career seeking firefighters have joined ranks at River Delta Fire District and have dedicated countless hours to its community and jump started their career. Their dedication and hard work earned them their dream job as a career Firefighter.

## DISTRICT VISION

Our vision of fire service delivery includes borderless emergency response for expediently deploying the closest appropriate resources in order to better serve the public in their time of need, and also to improve firefighter safety.

River Delta Fire District is committed to continuous improvement and the constant evaluation of our services to ensure we meet community expectations and industry best practices. We stand ready to serve and protect as we respond to the evolving needs of the community, at all times providing exceptional fire and emergency services.

The Delta peninsula is a predominantly rural area where all communities have relatively limited fire and rescue resources. The River Delta Fire District is working toward bringing our automatic and mutual aid partners together to further improve coordination between our agencies, including developing collaborative training opportunities, as well as improving integration for emergency responses and other fire agency services.

We believe that improving interoperability and increasing our abilities to coordinate and work together will enhance the following areas:

- Improved firefighter and community safety
- Expansion of immediately-available response forces
- Reliable back-up during multiple calls for service through agreements
- Improved emergency response during medium and large incidents
- Common training and operational procedures

# OPERATIONS DIVISION

The Operations Division provides fire, technical rescue, and basic life support emergency medical services to an area covering more than 27 square miles that contains a broad spectrum of risks and hazards, including a population in excess of 10,000 residents and visitors during summer months.

Responding to over 400 requests for emergency service annually, the dedicated men and women of the River Delta Fire District are committed to providing extraordinary service to their community through prevention, preparedness, and emergency responses, and they strive to exceed expectations at all times.

## District Command Coverage

District coverage is shared between command staff on a rotational 24-hour shift basis. Each Shift Commander is responsible for the day-to-day operations, management and performance proficiency within their respective shifts. Engine companies are supervised by qualified Captains or Lieutenants.

The command staff and chief officers consist of:

### Paul Cutino, Fire Chief

- 35-years' fire service experience
- State Fire Marshal Chief Fire Officer Certification
- Master's Degree, Emergency Services Management and Criminology
- Former Asst. Fire Chief for Operations, East Bay Regional Park District (a ten-station district covering two counties in Alameda and Contra Costa County)
- State Fire Marshal Instructor and Arson Investigator

### Larry Gardiner, Asst. Chief

- 55-years' fire service experience
- State Fire Marshal Chief Fire Officer Certification
- An original Assistant Chief upon the formation of River Delta
- Bachelors Degree,

### Hugh Henderson, Deputy Chief

- 40-years' fire service experience
- Associates Degree in Fire Science
- State Fire Marshal Chief Officer Certification
- Former Fire Chief, East Contra Costa Fire District
- State Fire Marshal Instructor

### Chris McPeak, Battalion Chief

- 8-years' fire service experience
- State Fire Marshal Company Officer Certification
- State Fire Marshal Instructor and Arson Investigator in progress

### Mark Trilevsky, Battalion Chief/Arson Investigator/Inspector

- 40-years' fire service experience
- Associates Degree, Fire Science
- State Fire Marshal Chief Officer Certification
- Former Company Officer, San Ramon Valley Fire District
- State Fire Marshal Instructor and Arson Investigator

### Taylor King, Arson Investigations Unit/Acting Battalion Chief

- 7-years' fire service experience
- State Fire Marshal Company Officer Certification
- State Fire Marshal Arson Investigator and Certified Inspector
- Associates Degree, Fire Science

### Lynette Rabara, Chief of Administrative Services

- 10-years' fire administrative experience
- Reports directly to the Fire Chief
- Provides administrative oversight of prevention/inspections, human resources, cost recovery and emergency reporting

The EMS Division has its own supervisor (EMS Officer.)

### Pamela Dodson, RN, District EMS Chief

- 40-years Emergency Medical Services Experience, BS CSU-LA, Specialty in Critical Care
- Prehospital Care Administrator, Contra Costa County EMS
- Clinical Program Manager, Resurgent Biomedical Consulting, LLC

## **ARSON INVESTIGATIONS UNIT**

The River Delta Fire District provides fire investigation services to the River Delta Fire District. The Fire Investigation Unit consists of a supervising Fire Prevention Chief and three on-call investigators. These four personnel provide on-call fire investigation services to the district.

### Duties & Purpose

The primary purpose of the Fire Investigation Unit is the investigation of fires that are intentionally set; suspicious; unlawful; attempted arson; causing serious injury or death; or involving possession or use of fireworks, incendiary devices, and/or explosives.

The duties and responsibilities of the Fire Investigations Unit includes: conducting interviews of suspects, victims and witnesses; sifting through fire debris to determine the origin of the fire; identifying possible ignition sources; collecting and preserving physical evidence; documenting the fire scene with sketches and photographs; preparing, serving and returning search warrants; giving expert witness testimony and presenting evidence in court; working with the CalFire Arson and Bomb Unit and the Sacramento County Sheriffs department to process arson cases.

River Delta Fire District Fire Investigators professionally and comprehensively investigate fires to determine origin and cause, for the purpose of effectively impacting fire incident frequency, monetary loss, fire related injuries and deaths, and criminal arrest of persons responsible for arson. All Investigators assigned to the unit are peace officers pursuant 830.37 PC.

ISLETON, CA 95641

### Press Release

**For Immediate Release Date: August 22, 2022**

**Contacts: Fire Chief, Paul J. Cutino**

**Subject: Arrest in Moore's Riverboat Arson**

**RIVER DELTA FIRE DISTRICT** - On July 6, 2022, the River Delta Fire District along with resources from assisting jurisdictions responded to a commercial structure fire at the historic Moore's Riverboat Restaurant and Marina in Isleton, CA. Upon the first engine's arrival at scene, the structure was engulfed with heavy flames and defensive operations were commenced which saved an estimated \$4 million dollars of surrounding boats and structures. The loss of Moore's Riverboat Restaurant and surrounding docks was estimated at \$1 million.

An intensive investigation by River Delta Fire District Arson Investigators, aided by the CAL FIRE - Office of the State Fire Marshal - Arson & Bomb Investigation Unit, has resulted in identifying and arresting suspect Wyatt Tripp. Tripp was arrested and charged with Arson, Conspiracy to commit Arson, and numerous weapons charges to include felon in possession of a firearm. An arrest warrant has also been issued for the second suspect, Rolly "Brian" Heath Byrd, for Arson and other arson related crimes.

River Delta Fire District, Fire Chief Cutino said, "The arrest of Wyatt Tripp and the identification of Rolly Byrd are the result of countless hours of hard work and dedication by Investigators from the River Delta Fire District, Office of the State Fire Marshal - Arson and Bomb Investigation Unit, Sacramento County Sheriff's Department, and Cosumnes Fire District Investigators. I also want to thank the Sacramento County District Attorney's Office for their diligence and expertise in prosecuting this case."

River Delta Fire District continues to investigate this case, in partnership with the CAL FIRE - Office of the State Fire Marshal - Arson and Bomb Investigation Unit.

If any member of the public has information related to the Moore's Riverboat Arson, please contact the CAL FIRE Arson Hotline at 1-800-468-4408 to provide tips anonymously.

## **COMMUNITY SERVICES**

### **Public Education**

The River Delta Fire District aims to educate residents to prevent fires and injuries before they occur. River Delta staff schedules on-duty appearances by River Delta Fire District Firefighters. Firefighters present fire and life safety lessons to community groups of all ages, hosts informational booths at community events and periodically works with other local agencies to promote the safety of our residents. Presentation topics include:

- Appropriate Use of 9-1-1
- Drowning Prevention
- Emergency Preparedness
- Home Fire Safety and Exit Drills

### **Station Tours**

Tours of the four stations are offered year-round. Tours include fire station walk-throughs and demonstrations of gear, equipment and fire engines. Visitors are taught how to call 9-1-1, kids are taught "Stop-Drop-and-Roll", and what to do when a smoke alarm sounds, as well as disaster preparedness tips.
